

To our valued Health Plan Clients,

Thank you for using our services to help keep your horses in good health throughout 2023. We hope you are set to have a wonderful festive season, whatever that may look like, and that your horsey plans for the new year are now within sight.

We are writing to inform you that as of January 2024 the monthly cost of your Equine Health Plan will increase from £12.50 a month to £13.99 a month. This increase will allow us to continue to provide the ongoing routine care for your horse whilst still saving you over £50 each year. The change will happen automatically with your January direct debit so there's no need to worry; you don't need to do anything to keep receiving all the benefits the Health Plan entails.

We are also pleased to announce that the annual EquiSal saliva test, which entered the plan back in September with 10% off the usual price, will now be fully covered by your plan from January 2024.

Thank you again for your continued custom and please do not hesitate to contact us should you have any questions.

Kind regards,

Hambleton Equine Clinic
